

AI-Enhanced Balanced Scorecard

From Lagging Indicators to Predictive Strategy

DATES

Aug 20–22, 2026

Thursday · Friday · Saturday

DAILY HOURS

3:00–7:00 PM

Beirut Time · 4 hrs/day

FORMAT

Live Online

Interactive, hands-on sessions

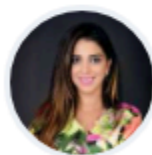

WHAT EXECUTIVES WILL MASTER

- 1 All financial & non-financial KPIs across the 4 Balanced Scorecard perspectives
- 2 How AI turns lagging reports into forecasted, predictive signals
- 3 Hands-on practice with a live AI Scorecard Simulator and AI Consultant chatbot
- 4 **A Certificate of Completion from Cedars Abroad** — awarded to every participant

WHO SHOULD ATTEND

Executives, senior managers, and strategy, finance, HR, and operations leaders who own performance measurement.
